

Warranty Statement

Onan Generator Set for RV

Limited Warranty

Onan Generator Sets for Recreational Vehicle (RV):

This limited warranty applies to Cummins Inc.-branded Onan generator sets for RV previously named and hereinafter referred to as "Product".

This warranty covers, under normal use and service, any failures of the Product resulting from a defect in material or factory workmanship.

Warranty Period:

The limited warranty start date is the date of purchase of Product by the first retail purchaser. When used in Recreational Vehicle (RV)* application, the warranty coverage duration is 3 years from warranty start date or 2,000 hours, whichever occurs first.

For RV generators used in RV rental application and non-RV application, the warranty coverage duration is 1 year from warranty start date or 1,000 hours, whichever occurs first. Warranty coverage will be void for HDZAA generators used in non-RV applications.

1 Year, 1000 Hours

- Parts and labor required to repair the Product.
- Maintenance items contaminated or damaged by a warrantable failure.

For generator sets used for demonstration purposes, warranty coverage commences at 100 hours or from the date of sale to the first retail purchaser, whichever occurs first.

Replacement parts installed as part of warranty repair assumes the remainder of the Product warranty coverage period. This includes completed Product replacement under warranty coverage period.

Warranty coverage is transferrable to subsequent owners.

* Recreational Vehicle (RV) is defined as having all of the following amenities:

- Sleeping quarters
- Kitchen
- Bathroom facilities

The following are also considered RV applications:

- Pop-up tent campers
- Sport Utility Trailers (SUTs) or Toy Haulers, provided they have at least two of the three amenities described above.

Cummins Inc. Responsibilities:

In the event of a failure of the Product during the warranty period due to defects in material or workmanship, Cummins Inc. will only be responsible for the following costs:

Years 1 & 2

- Parts and labor required to repair the Product.
- Maintenance items contaminated or damaged by a warrantable failure.

Year 3

- Parts and labor required to repair the major components of the Product only**.
- Maintenance items contaminated or damaged by a warrantable failure.

** Major powertrain components include: cylinder block, cylinder heads, crankshaft, camshaft, balance shafts, pistons, rings, valves, valve lifters, manifolds, and major castings.

Major generator components include: main stator, main rotor, and generator inverter-controller.

Major electronic components (HQD model) include: inverter, transfer switch, and display panel.

Owner Responsibilities:

The owner will be responsible for the following:

- Providing evidence of the date of sale to the first retail purchaser.
- Notifying a Cummins Inc. distributor or dealer within 30 days of the discovery of failure.
- Installing, operating, commissioning, and maintaining the Product in accordance with Cummins Inc.'s published policies and guidelines.
- Providing sufficient access to the Product and reasonable ability to remove the Product from the installation in the event of a warrantable failure.

In addition, the owner will be responsible for:

- Incremental costs and expenses associated with Product removal and reinstallation resulting from non-standard installations.
- Costs associated with generator set rental to replace the Product being repaired.
- Costs associated with labor overtime and premium shipping requested by the owner.
- All downtime expenses, fines, applicable taxes, and other losses resulting from a warrantable failure.
- Living and travel expenses.

- Telephone or other communication expenses.

Limitations:

This limited warranty does not cover Product failures resulting from:

- Inappropriate use relative to designated power rating.
- Inappropriate use relative to application guidelines.
- Normal wear, rust, corrosion, and varnished fuel system components.
- Improper and/or unauthorized installation.
- Owner's or operator's negligence, accidents or misuse.
- Improper repair, late or improper maintenance practice, or lack of proper maintenance.
- Use of improper or contaminated fuels, coolants, or lubricants.
- Operation without adequate coolant or lubricants.
- Owner's delay in making Product available after notification of potential Product problem.
- Use of add-on, modified, or replacement parts and accessories not authorized by Cummins Inc.
- Noncompliance with any Cummins Inc. published guideline or policy.
- Improper storage, starting, and break-in practice.
- Damage to parts, fixtures, housings, attachments, and accessory items not part of the generator set.

This limited warranty does not cover costs resulting from:

- Difficulty in gaining access to the Product.
- Repair of cosmetic damage to enclosures.

Please contact your local Cummins Inc. distributor for clarification concerning these limitations.
