

Steady power even when wet

Wanco® WAB-Series generators are perfect for pressure washing and other wet applications.

Reliable and long-lasting, these water-resistant generators will do the job now and for years to come. Our brushless design, internal sealants and oversized windings are the perfect platform for these durable, wet area belt-drive generators.

For more than 30 years the Wanco brand has stood for quality and reliability. Learn more at voltmaster.com.

Belt-drive generators for wet applications

- Water resistant
- Bidirectional rotation
- Balanced 120-volt, 20-amp receptacle
- Brushless design with capacitors
- Built-in voltage meter
- Heavy-duty die-cast housing
- Designed for horizontal operation
- Variable voltages available
- Assembled in the United States
